## Voice of Students

I am filled with gratitude to step up in the ladder of being a scholar from KMC. To seek for higher and skill oriented academic qualification, picking out KMC is one of the best decisions of my life. All of the teachers and executive heads are so much experienced and talented. Their way of teaching is so analytical and they never lack to set examples while teaching. KMC is more than the experience, it's an opportunity to become something better in our career. This college teaches you the tough skills of life, discipline, punctuation, friendship, dedication, struggle, joy and commitment. After joining at KMC, I discovered the passion I never knew before with an affordable fee for common students, this college seems the best option.

Pursuing BBS at KMC seems very meaningful in terms of its distinguished uniqueness. It is a perfect platform to polish one's knowledge and potentialities via extra-curricular activities which are very meaningful to enhance leadership qualities, communication skills, moral values and perceptions. Personally speaking, it made me stand as a good reader, speaker, creative and critical thinker. Finding the college to continue your education is a primary decision; I believe that KMC can be your right choice. You will not regret choosing KMC, especially if you are ambitious and determined to gain success.

Kapan Multiple Campus accelerates to explore the creative notions of students to inspire them for seeking their life skills through effective academic performance. It motivates dynamic students with ample exposure and opportunities in collaboratively learning environments. Indeed, choosing KMC was one of the best decisions I have ever made in my life. I am fond of its fruitful services and quality education. I am grateful to the entire teachers for counselling and leading us with the proper career direction. So, I recommend that each student, who has passed out plus two, should enrol at KMC (in the management stream) to, chase your dream and feel the difference.

Kapan Multiple Campus consists of Tribhuvan affiliated Bachelor (Management and Education) academic programs in the morning and evening shift. The evening shift education program aims to develop an amazing career for job holder students. KMC has put together a group of teaching experts and professionals who perceived a wide range of knowledge and experience in the education sector. I am truly honoured and proud as a student of this campus.

## Introduction

Welcome to KMC

Kapan Multiple Campus has been appeared as a popular community based institution of higher education in Budhanilkantha Municipality of Kathmandu. Prior to the establishment of Kapan Multiple Campus (KMC), most of the students of this municipality had to go to private colleges for further studies after completing grade 12. The local people of Kapan area, political leaders, academicians and well-wishers took the initiative for the establishment of a community based multiple campuses. As a result, KMC got affiliation from the Tribhuvan University for running educational programs: B.Ed. and BBS. KMC stands for the multifarious, multicultural and diversified platform with co-education system where the student is taken as the best social entity negating any kinds of discrimination. KMC has been the center of attraction and attention within the very short period of its establishment with the generic sense of oneness, so as to be the best academic destination to each and all every individual throughout the nation and so far. The campus solely dreams to build the legacy of academic pursuit and be the wonderland for everyone dreaming for the blooming future.

## Vision

Kapan Multiple Campus intends to be a prestigious community-based institution of higher education of Nepal, committed to academic excellence by providing access to educational opportunities at an affordable cost in multiple disciplines of knowledge to the people and continue efforts envisioning to be a community based model university of Bagmati Province.

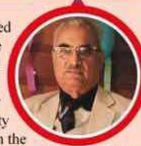

## Mission

The Kapan Multiple Campus is established by the community and committed to provide affordable access to higher education in multiple disciplines for the people of Kathmandu and the country. Campus aspires to be educational hub of the capital city of Nepal through regular emphasis on academic autonomy, program extension in technical and non-technical disciplines, and continue to be an accredited institution of higher education in Nepal.

## Message from Chairperson

Dear all,  
Being chaired as the guardian of campus has inspired and encouraged me to establish the campus as role model community based multiple campus since I'm within the dedicated team of board members, the most highly qualified professional faculty members, visionary advisory board, and the positivity of the entire community. Our dream is to establish the campus as one of the pioneering community campuses throughout the nation with the sole identity of the whole locality where the campus now existing. I have envisioned bright future of the campus that will be the best academic quests to quench the thirst of academicians, young minds and people from even cross-cultural strands.
